

VARSITY EVENTS

A full-page photograph of a wedding reception. In the foreground, a bride and groom are dancing on a large, dark grey stone tile patio. The groom is wearing a black tuxedo and the bride is in a white wedding dress. They are embracing and looking at each other. In the background, several round tables are set up on a green lawn, covered with white tablecloths and surrounded by white folding chairs. Guests are seated at these tables, some looking towards the camera. There are palm trees and a building with a brown roof in the distance. String lights are hanging across the scene. The overall atmosphere is bright and festive.
